Congratulations to Gordon Fenn of 1107 Maidstone Crescent who submitted this suggestion for the new title of our Newsletter. Gordon's prize is a bottle of wine - enjoy! Here is what he said:

"My idea for naming the Trafalgar Co-Op Newsletter is, "The Acorn", as we're new here in Oakville - Oakville's first Co-Op. We all know that, "the mighty oak from a tiny acorn grows", and hopefully ours will be a strong Co-Op."

He couldn't have said it any better! Watch for our new cover on upcoming issues.
